

New Designer Villas in Golden Mile

In a privileged location will be built 22 designer villas with beautiful views and just some minutes from Marbella's city. The 4 bedrooms-semidetached villas will offer the latest standards and fulfil the last wishes of the new owners. The ground floor consists of the large living / dining with an open plan, modern kitchen, a guest suite and the guest toilet. The upper floor has the master suite and 2 further bedrooms with one bath. The solarium is reachable through a nice patio and offers fantastic sea views. Further features: A/C, under floor heating, 3 parking spaces, large basement, community pool, etc.

Construction starts soon!!!
